PLACEMENT CELL BROCHURE

VISION

Jeppiaar Institute of Technology aspires to provide technical education in futuristic technologies with the perspective of innovative, industrial and social application for the betterment of humanity.

MISSION

- To produce competent and disciplined high-quality professionals with the practical skills necessary to excel as innovative professionals and entrepreneurs for the benefit of the society.
- To improve the quality of education through excellence in teaching and learning, research, leadership and by promoting the principles of scientific analysis, and creative thinking.
- To provide excellent infrastructure, serene and stimulating environment that is most conducive to learning.
- To strive for productive partnership between the Industry and the Institute for research and development in the emerging fields and creating opportunities for employability.
- To serve the global community by instilling ethics, values and life skills among the students needed to enrich their lives.

MANAGING DIRECTOR'S MESSAGE

We welcome the entrants to **Jeppiaar Institute of Technology** who are braced up to make their mark as a true professional. Our institution aims to propagate technical and professional education and advance the students with the right attitude and requisite skills to escalate them into higher echelons in their respective field. With very congenial and professional environment our faculty make a substantial contribution to academia through quality teaching and fosters the skills and enhances the knowledge of the students through various academic activities. The focus on comprehensive education which is all inclusive proves to be the best for the professionals in their growth. Hence, we provide an ideal seat of learning with the required expertise and excellence that allow our students to evolve into professionals at par with the global standards.

With the wide infrastructure and extensive facilities you are expected to have an enriching and life turning academic experience. The college provides facilities to students to take part in co-curricular and extra-curricular activities. The college also organizes national level sports tournament for the students to expose their talents widely. We have developed different forums for the students to unleash the best creative & analytical potential in the field of Engineering & Technology and equip every student with the confidence to take up any challenge and supersede in today´s competitive world.

Dr.N. Marie Wilson, MBA, PhD.
Managing Director

Vision & Mission of the Placement Cell

VISION

To contribute to the development of Human Resources for various industries by nurturing the young talents in direction towards their interests and goals and thereby developing professionals at global excellence.

MISSION

BRIDGE BETWEEN INDUSTRY AND INSTITUTE - a smart and futuristic platform that enables companies access eligible and talented professionals.

About the placement Cell:

Jeppiaar Institute of Technology has an independent Training and Placement cell devoted to cater to the needs of organization in conducting ON/Pool Campus Recruitment processes, providing Career Guidance for students, conducting effective Training programmes and employability bridging courses from First year to Final year students. This commitment is demonstrated by the existence of a full-time Management and Placement Officer. The benefits of this assistance are reflected in the preparation of Students who are able to secure lucrative and esteemed position in recent years.

Training and placement cell develop strong corporate relations with major IT and Core industries and establishes good rapports with CEOs and HR Managers. The Training and Placement Division ensures smooth organization of various events related to ON--Campus placement events, OFF-Campus events conducted at our college by CUIC, Anna University and many Pool-Campus recruitments at our college. Placement officer takes care to provide best possible arrangements with regard to infrastructure, smart lecture halls, Pre-placement Presentations, and hospitality for visiting corporate personnel.

The Training and placement cell identify the training needs of the students and imparts training through reputed training institutes. Online coding platforms like TechGig, Hacker rank, Coding Bat were introduced to students' community to ensure the effective Self Practicing Tool to make them industry ready professionals for product and service-based Industries. The Placement cell Strives hard to towards the student's community improve their communication Skills and Presentation Skills.

The training & Placement service operates year-round to facilitate contacts between companies & Graduates. Staff members are available to respond to student's questions and concerns of all kinds. This may mentor on placement procedures; help to prepare application and resumes and mock Interviews. The aim is to ensure that students have the information and skills necessary for an effective job search.

Those considering careers in education or its related fields are offered detailed career guidance at the Training & Placement Cell. All counselling is based on up to-date placement statistics and an envisioned view of future educational and industrial trends.

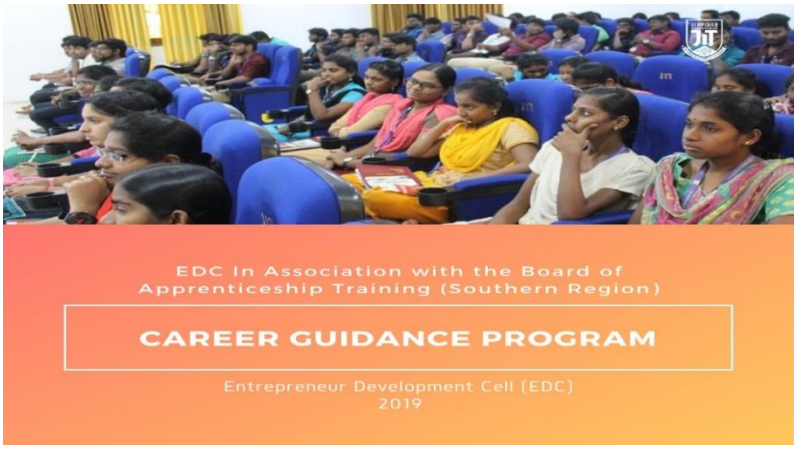
Career Guidance Program :

This is to inform that, Entrepreneur Development Cell (EDC) & Placement Cell of Jeppiaar Institute of Technology was organized an event “Career Guidance Program” in association with Board of Apprenticeship Training (Southern Region), Chennai on 19.12.2019 (Thursday). 92 final year students from various departments participated in the program. The event chief guest was Mr.M.Suresh Kumar, Assistant Director of Board of Apprenticeship Training

(Southern Region), Chennai.



COUNSELLING SESSION

COUNSELLOR: Ms.KEERTHANA SWAMINATHAN,

Psychologist & Founder- Think.Train.Perform

DATE: 13-08-2019

TIME: 12:00 noon to 1:30 pm

A counselling session was conducted for II and III year students on 13-08-19 at 12:00 noon. A set of 70 students were selected to attend this session. The selection of the students was done based on their academic performance. Less prepared students with the history of two or more arrears were selected to be a part of the counselling. The speaker, Ms.Keerthana Swaminathan, a Psychologist by profession, handled the session enthusiastically in an interactive manner. The topics discussed were

1. Setting of goal

2. Journey towards the attainment of goal

3. Obstacles to achieve goal

4. Overcoming the obstacles to reach goal

Students were motivated and inspired by the examples provided by the speaker. They were encouraged to perform better in the academics. Feedback provided by the students indicate the positive impact of the session.

COUNSELLING SESSION FOR FIRST YEAR STUDENTS

DATE: 04.11.2019

TIME: 10:00 am to 12: 15 pm

RESOURCE: Dr. GETSY SOLOMON (Psychologist)

A counselling session was conducted for first year students on 4.11.2019 from 10:00 am to 12:15 pm at Seminar Hall. Psychologist, Dr. Getsy Solomon was the invited resource person who guided the students on “Me and My Studies with Scheduling”.

A group of 62 students from all the Departments of first year classes attended the session. The students were grouped based on their academic performance. Students proximate to attain a pass status in all the subjects with a tinge of motivation and counselling were sorted out. Students were enthusiastic and extended their complete involvement throughout the session.

The session started with a stress relieving meditation- cum- visualization activity, ensuring the curiosity and participation of students. This was followed by a motivational talk to draw the students toward the achievement of their goals. Setting of schedules, including all the basic requirements of a student was also introduced. Students were made to set a schedule for themselves. The session was lively and highly interactive with many theme-based activities. Feedback was collected from the students and a report was submitted by the resource person.

COUNSELLING SESSION ON ACADEMIC ENRICHMENT

COUNSELLOR: Dr. M. LAKSHMAN KUMAR

Sports Psychologist & Tennis Coach

Assistant Professor/ Department of Sports Management and Sports

Psychology & Sociology

Tamilnadu Physical Education & Sports University.

DATE: 16-03-2020

TIME: 10:00 am to 12:15 pm

A counselling session was conducted for the sports students and the students with a history of Tamil as a medium of instruction in school, belonging to I,II and III year on 16-03-20 at 10:00 am. A set of 50 students attended this session. These students were counselled to improve their academic performance. The Psychologist, Dr. M. Lakshman Kumar, who is specialized in Sports Psychology, easily assessed the students fear in balancing academics and sports. The session insisted on the following topics

• Time management • Overcoming stress • Getting rid of Inferiority complex

The encouragement provided by the resource person to balance various aspects of life is a special boost to the students. They were motivated to perform better in academics. A one- on- one counselling session was also provided to nineteen students. Su ccess of the session was considered by the positive feedback provided by the students.

Motivational talk

Placement cell of Jeppiaar Institute of Technology has organized "Motivational talk" by Dr. Augustin Kamaraj a well renowned MBBS Doctor, and a psychology consultant for our II and III year students at our main auditorium.His speech was so practical and inspiring to all our students.

Tech Talk:

Placement cell of Jeppiaar Institute of Technology had sucessfully conducted a Tech talk and an Industrial sharing experience from Mr.Dhanasingh Vinoth,Business Manager-Amazon web services in our Main auditorium for our II and III year students. It was truly a knowledge gaining session.

Training & Placement Cell Activities

Training and placement cell develop strong corporate relations with major IT and Core industries and establishes good rapports with CEOs and HR Managers. The Training and Placement Division ensures smooth organization of various events related to Internal & External Trainings, ON--Campus placement events, Pooled Campus Events, OFF-Campus events conducted at our college. Placement team ensures to provide best possible arrangements regarding infrastructure, smart lecture halls, Pre-placement Presentations, and hospitality for visiting corporate personnel.

Industry Institute Interaction Program

An Industry-to-Institute Interaction Program, where industry experts share insights, interact and discuss with the students on the latest trends in technology, core engineering industries and IT products and services.

This initiative by Jeppiaar Institute Of Technology strives to bridge the gap between the industry and the institute and strongly believes that this program would highlight a student's passion, skill and talent such that, each student can be at par with the Industry's standards and excel accordingly.

We will be inviting experts from the industry and leaders in their respective fields to address the students at **#JeppiaarInstituteOfTechnology**,

#CAREERIMPULSE **#SparktoVitalizeSkills** **#IndustryInstituteInteraction** #JIT

#JeppiaarInstituteOfTechnology **#CareerFocus** **#IndustryExperts** **#CampusToCorporate**

#industryknowledge **#industrytrends** **#industryleader** **#industryexpert** **#industryinsights** **#industryleaders** **#leading edge**

Mr.Senthil & Mr.Sathish - CEO from Codingmart Visited our campus for placements and gave lot insights to the students for their improvements and to attain better career positions.

Dr. K.M. Suceendran,GPHR, Head- Workforce Excellence from Tata Consultancy Services visited our campus. He gave lot of inputs for the college and students growth in the area of research and making students industry ready.

Industry Institute Interaction program strikes at heavy in Jeppiaar institute of Technology..! **Dr. Kesavasamy Krishnamoorthy ,ADVISOR- Human resources, TCS along With Mr.Gopi Babu -Asst.manager, AIP**, **TCS** had visited our campus for an walk -through and an interactive program with our student friends about Industry preparation.

Mr. K. R. Sriram from Atos, juried our students projects and shared his inputs and suggestions which additionally nurtured students creativity.

Mr.Navneet Kejriwal - Plant director, DELL India , Visited our campus and shared his views to the students to update themselves for current industrial trends

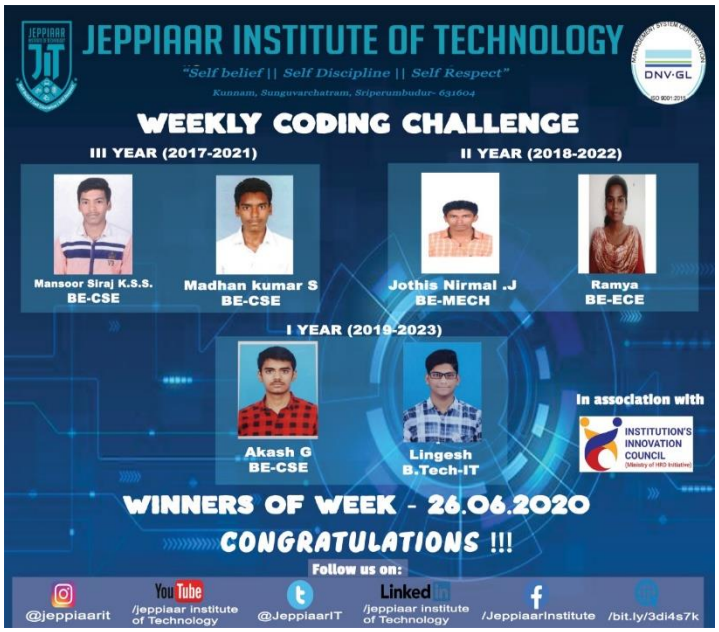
Mr.R.Muruganandam Associate Vice President, R&D COMSTAR INDIA PVT LTD present in our campus to support the institution to bridge the gap in technological advancements and also to support in research obligations and also COMSTAR will also support in providing internship to the students.

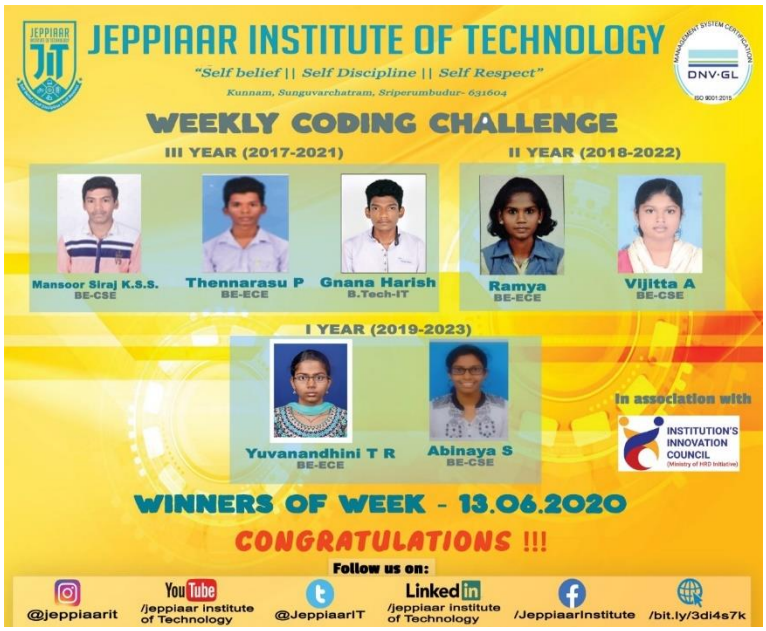
Mr.Vishwanathan – Wipro Campus Recruitment Head Visited our campus and gave insights to our students for their improvements.

Mr. Senthilnathan S ,Vice President, Global Delivery Centre Head from ATOS Visited our campus and had a walk through at our Institute and our students projects .He Interacted with our students recent trends and guided them to update for the industry requirements.

Weekly Coding challenge

Weekly Coding Challenges were Conducted to our Students to update themselves for companies' requirements and the Outstanding performance in coding challenge were identified and appreciated as winners of the week.





Let's JIT CHAT!

A series by our Global JIT Alumni on Tech Talks, Career Guidance and Webinars.

The series will be streamed LIVE on JITs Youtube Channel
http://www.youtube.com/c/JeppiaarInstituteofTechnology

Open to - Faculties, All Higher Studies Aspirants & International Career Objective Students.

Event Dates : 03/06/2020 to 06/06/2020

Speakers Details & Timings:

1) Mr.Fenelein George from USA on 03.06.2020 by 11.00 am to 12.00 pm IST.

2) Mr. Mohan Kumar from Newzealand on 04.06.2020 by 2.00 pm on to 3.00 pm IST.

3) Mr. Anish from Germany on 05.06.2020 by 11.00 am to 12.00 pm IST.

4) Ms. Sushmitha from USA on 06.06.2020 by 11.00 am to 12.0p pm IST.

Online Faculty Development Program

Jeppiaar Institute of Technology proudly presents the “Online Faculty Development Program”, a holistic virtual program on “Emerging Technology in Data Science "

This development program will feature eminent speakers and elite professionals from their respective verticals and domains.

This is an exclusive virtual event for Faculties and Students. We would be streaming the program in the LIVE WEBINAR format. The program is organized by the Training & Placement Cell , Department of Information Technology and GUVI as the Technology Partner.

Event Dates : 18.5.2020 (Monday) to 22.5.2020 (Friday) .

Timing : 11.00 am to 12.30 pm.
Our registrations have surpassed the 3000+ mark, and due to the great response.The entire program will be Live streamed via Jeppiaar Institute of Technology YouTube channel and Zoom Application.

CYBER SECURITY LAB INNAGURATION

Cyber Security MOU was signed between Jeppiaar Institute of Technology and Auriseg Consulting Pvt Ltd and Defsecone Consulting Pvt Ltd on 06.11.2019, in the presence of Dr. N.Marie Wilson, Managing Director, Jeppiaar Institute of Technology, and Chief Guest Mr. Sreenivasan, Director, Auriseg Consulting Private Ltd and Mr. Giri, Director, Defsecone Consulting Private Ltd. This MOU has been signed to enhance the institutes interaction with the industry.

OBJECTIVE:

- understanding the real world attack vectors
- Understanding the linux commands
- train the students from understanding and performing basics to sophisticated attacks
- Understanding the Social Engineering Attacks

KNOWLEDGE IMPARTED ON STUDENTS
Outcomes

ability to perform ethical hacking

ability to use various Os and Application level exploits

detect and perform network related attacks

perform advance hacking techniques

Benefits of utilizing cyber security includes:

- Business protection against malware, ransom ware, phishing and social engineering.
- Protection for data and networks.
- Prevention of unauthorized users.
- Improves recovery time after a breach.
- Protection for end-users.
- Improved confidence in the product for both developers and customers.

Memorandum of understanding (MOU) with Softura in the field of Internet of Things (IOT)

Jeppiaar Institute of Technology and Softura private limited signed a Memorandum of understanding (MOU) recently regarding a major technical mission in the field of Internet of Things (IOT), The Managing Director of Jeppiaar Institute of Technology N Marie Wilson and director of Softura private limited Priyadarshini exchange the MOU, at a function in the college premises.

The agreement aims to promote a sustainable framework for the present and future partnership, by setting up an IOT lab and co-operative action between Jeppiaar Institute and Softura by promoting technical education in futuristic technologies for the betterment of humanity.

Assistant Manager (Recruitment) of the company Pravin Kumar, and college principal L M Merlin Livingston were also present during the occasion.

"TIMES OF INDIA" among the top private engineering colleges Pan India for the year 2020.

Confederation of Indian Industry (CII) Award

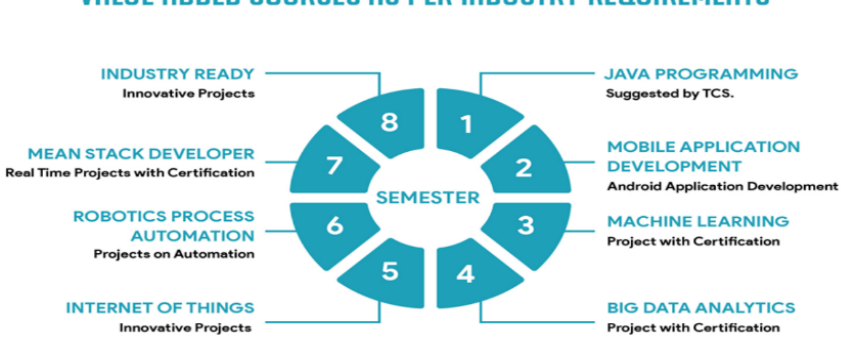
All India Council for Technical Education (AICTE), New Delhi in association with Confederation of Indian Industry (CII) rated JEPPIAAR INSTITUTE OF TECHNOLOGY under Gold Category in AICTE – CII Survey of Industry Linked Technical Institutes 2020 nationwide, 814 institutes are shortlisted for award categories out of 4180 institutions that include Government and Private Institutes (Deemed Universities, Autonomous & Affiliated) across India.

Value Added Programs

The Value Added Education Courses aim to provide additional learner centric graded skill oriented technical training, with the primary objective of improving the employability skills of students. The main objectives of the program are:

- To provide students an understanding of the expectations of industry.
- To improve employability skills of students of MCET.
- To bridge the skill gaps and make students industry ready.
- To provide an opportunity to students to develop inter-disciplinary skills.

Value Added Courses offered to our students:



FULL

OUR PROUD RECRUITERS

PLACEMENT FACILITIES

1. AUDITORIUM
2. SEMINAR ROOMS
3. WIFI CONNECTIVITY
4. VIDEO CONFERENCE FACILITY
5. FACILITY FOR ONLINE ASSESSMENT
6. CAREER GUIDANCE COUNSELLING

Why Company Recruit @ JIT College

- Company specific training
- Mock Interview's
- Regular Boot Camps
- Guvi portal Training for coding
- Product development company specific training
- Online coding and programming practice through Hacker rank, Code.org etc.
- Webinars, Industrial visit, workshop and Faculty Development Programme.
- Periodical assessment in both aptitude and technical.
- AMCAT Assessment.
- Placement Season portal for practicing Aptitude, verbal and Technical.
