

CONFERENCES

Sl. No.	Name of the Faculty	Title of the paper	Title of the proceedings of the conference	Name of the conference	National / International	Year of publication	ISBN number of the proceeding	Affiliating Institute at the time of publication
1	Ms. Dayana. R	Hunt Down Scheme Based on Locality Amendments	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their Application (CIEEMA- 16)	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their Application (CIEEMA- 16)	National	Mar-16		Jeppiaar Institute of Technology
2	Ms. Gladiss Merlin N.R	Bigdata With Hadoop In Healthcare Service	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
3	Mr. Muthukumaran. S	Efficient P2p File Sharing in Mobile Ad-Hoc Network through replication	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
4	Mr. Muthukumaran. S	Optimization of Wireless Sensor Networks	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
5	Mr. Dinesh Kumar .M	Prevention of Data Piracy Using Cloud	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
6	Mr. Dinesh Kumar .M	Enhancing Security in Hadoop Cluster Using Multimedia Image	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
7	Hemamalani. J, Muthuvel. S	SLPSSO Task Scheduling	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
8	S. Dhamodran	Stretch Optimization Of Wireless Sensor Networks Using PPSS Algorithm	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
9	Dayana R	Secured And Efficient Policy Update In Cloud For Big Data Access Control	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
10	Gladiss Merlin N.R	Identification Of Attack On Browsing History Of Twitter Users Using Inference Technique	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
11	Dr. K.V. Karthikeyan, Dinesh Kumar. M	Allocation Of Optimal Consumer Resource In Cloud Computing	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
12	Hemamalani. J, Angeline. J. A	Multiple Mail Transmission Through Mime Technique	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
13	Angeline. J. A	Surveillance System Through Video Image Processing	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
14	Dayana. R, Kavitha Priya C J	Performance Analysis Of Media Cloud-Based Multimedia Systems With Retrying Fault-Tolerance Technique	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
15	Dr. K.V. Karthikeyan, Kavitha Priya C J	Secure Data Transfer Using Push E-Mail Technology	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
16	Angeline. J. A	Speech Recognition System Based On Wireless Automation	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
17	Dayana. R, Dinesh Kumar	Wireless Access Points Detection Using Nessus Method	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology

18	Muthukumar S	A Novel Scheme For Filtering False Data Injection Attacks In Networked System	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
19	Dayana. R	Cloud Based Online Blood Management System	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
20	Muthukumar. S	Agriculture Shopping Using Artificial Intelligence	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
21	Muthukumar,Muthuvel. S,	E-Commerce In Food Shopping	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
22	Muthuvel. S	Portable device to monitor patient health using IOT	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
23	Dayana. R	Workflow and its security issues in the cloud computing	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
24	Muthuvel. S	Secured Attribution transmission of relational dataset for stream records	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
25	Mr.Muthuvel. S, Mr.Neelakandan. S	A Trusted Neighbour Recommendation System Using Efficient Data Mining Approach	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical Engineering and Their	National conference on Recent Trends Computer Science, Information, Electronics, Electrical, Mechanical	National	Mar-16		Jeppiaar Institute of Technology
26	Mrs.L. Pattathurani	Automatic Plant Watering System	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their Applications	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their	National	Mar-16		Jeppiaar Institute of Technology
27	MsS.Priya	Low cost toxic gas fire Alarm System	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their Applications	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their	National	Mar-16		Jeppiaar Institute of Technology
28	Dr. C. Rajeshkumar	Automatic Vehicle sensor in Accident prone Highways	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their Applications	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their	National	Mar-16		Jeppiaar Institute of Technology
29	Mr.K.Jayavelu	Solar Power Supply via Transformer	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their Applications	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their	National	Mar-16		Jeppiaar Institute of Technology
30	Mr.F.Maxo savio	A PFC based BLDC motor drive using a canonical switching cell converter	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their Applications	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their	National	Mar-16		Jeppiaar Institute of Technology
31	Mr.Pawan kumar	Voltage controlled Custom Power Device for improvement of Power Quality	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their Applications	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical Engineering and their	National	Mar-16		Jeppiaar Institute of Technology
32	M.Tamilselvi	Non-invasive tracking and monitoring glucose content using near infrared spectroscopy	IEEE International Conference on Computational Intelligence and Computing	IEEE International Conference on Computational Intelligence and Computing	International	2015	978-1-4799-7849-6/15	Jeppiaar Institute of Technology
33	M.Tamilselvi	An effectual contrast enhancement for remote sensing images	IEEE Sponsored 2nd International Conference on Innovations in Information Embedded and Communication Systems	IEEE Sponsored 2nd International Conference on Innovations in Information Embedded and Communication Systems	International	2015		Jeppiaar Institute of Technology
34	M.Tamilselvi	A novel based mix-column architecture for AES-128 bit algorithm	IEEE Sponsored 2nd International Conference on Innovations in Information Embedded and Communication Systems	IEEE Sponsored 2nd International Conference on Innovations in Information Embedded and Communication Systems	International	2015		Jeppiaar Institute of Technology
35	G.Merline	Automatic Ambulance Rescue System Using Dijkstra's Algorithm	Conference-National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical	Conference-National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
36	G.Merline	Haptic Shared Control In Telemanipulation: Pick and Place	Conference-National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical	Conference-National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical, Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology

37	L.M.Merlin Livingston	REMOTE AUTHENTICATION VIA BIOMETRICS-A ROBUST VIDEO OBJECT TEGANOGRAPHIC MECHANISM FOR	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
38	L.M.Merlin Livingston	DIBR Based 2D To Stereo Video Conversion	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
39	Ambika.K Amirtha Vinnarasi.J.V Anu Keerthi.A Merlin Livingston.L.M	Enhanced Vision Of Hazy Images Using Improved Depth Estimation And Color Analysis	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications,	National	3&4 March 2016		Jeppiaar Institute of Technology
40	Dr.S.Arul, Mr.K.Arun Kumar	DIABETIS MELLITUS (DM) AND ITS COMPLICATIONS	National Conference at Alpha College of Engineering	National Conference at Alpha College of Engineering	National	Jan-2016		Jeppiaar Institute of Technology
41	M.Benisha	Millimeter Wave for 5G Mobile Communication Application	IEEE CONFERENCE PUBLICATIONS International Conference on Advances in Electrical, Electronics, Information,	IEEE CONFERENCE PUBLICATIONS International Conference on Advances in Electrical, Electronics, Information,	International	27&28 Feb 2016		Jeppiaar Institute of Technology
42	M.Benisha	Requirements and Challenges of 5G Cellular Systems	IEEE CONFERENCE PUBLICATIONS International Conference on Advances in Electrical, Electronics, Information,	IEEE CONFERENCE PUBLICATIONS International Conference on Advances in Electrical, Electronics, Information,	International	27&28 Feb 2016		Jeppiaar Institute of Technology
43	Krithika L.Jeaya Aishwarya, Agalya, M.Benisha	Patient Monitoring and Posture Recognition Embedded with GSM for Disabled People	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
44	Manikandan. R, Dinesh Babu. L Gowthaman. M, Benisha.	Joint Beamforming based Power and Channel Allocation on MIMO systems	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
45	R.Deepa	Interference Cancellation for the Four User MIMO Interference Channel based on QOSTBC	International Conference on Communication and Signal Processing, April 6-8, 2016, India	International Conference on Communication and Signal Processing,	National	3&4 March		Jeppiaar Institute of Technology
46	Fazleen.A Leobel Freiderz.R I, R.Caroline Claude	Nanotechnology In Space	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
47	Ananthi Reeta. R Kripa. S, Monisha. K, Mahesh J	Wireless Sensor Network (WSN To Improve Road Monitoring)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
48	Esther Florence P Merlin Joy A D G Sasivardhini S, Benisha M	A Secured System Design For Real-Time Health Monitoring OF Post- Hemotherapeutic Effects Based On Iot	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
49	Barkhavi. R, Kalpana. R Priya Dharshini. P S, Arul. S	Virtual Wall Traffic System With Violation Warnings	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
50	Lavanya.J, Monika.E Divya varshini.K Merline.G	Automatic Ambulance Rescue System Using Dijkstra's Algorithm	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications,	National	3&4 March 2016		Jeppiaar Institute of Technology
51	Marie Claude.N Ramesh K, Kannan V	Delay analysis in sensor networks	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
52	L Charathraaj E.Karthikeyan S.Karthikeyan, M.	Efficient Iris Segmentation And Recognition Using Svm Classifier	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
53	R.R.Janani E.Prema M.Tamilselvi	An Efficient Hybrid Approach Estimation For Face Detection System Using Feature Based Technique	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications,	National	3&4 March 2016		Jeppiaar Institute of Technology
54	D.Merlin Doj Catharine T.Nila. S,Vijayalakshmi K.Arun Kumar	A Wearable Gesture Recognition Device for Detecting Muscular Activities Based on Air-Pressure	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
55	Priyanka.A, Neelavathi.R Saranya Devi.R Selvin Pradeep Kumar.S	Museum Adapt Technology For Mobility Impaired People Using Embedded System	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
56	Vignesh.K Vijay.K Vigneshwaran.R, Deepika.P	An Inertial Pen With Dynamic Time Warping Recognizer For Handwriting And Gesture Recognition	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology

57	Chandrasekar.V Gowthamm.M BlessingDhilak.T, G.Merline	Muscular Bio Stimulation By Electromyogram Signal Using Flex Sensor Glove	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications,	National	3&4 March 2016		Jeppiaar Institute of Technology
58	Ilakya.K, Sathya.R Shanthini.E, Deepika P	Medical Image Fusion Based On Optimal Frequency And Analysis Under Stationary Wavelet Transform	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
59	Rajeswari.D Vishnu Priya.R Merlin Livingston.L.M	Biomedical Signal Monitoring In A Telemedicine System For Emergency Medical Services Using Mechanical	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
60	Merline.G, Pavithra.R Ishwarya. K	Two And Three Fingered Robot By Precision Manipulation	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
61	Prathima.LK Logeshwari.E Arun kumar K	A Mesh Networking Based Solution For Smart Metering	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
62	Arunkumar. K Archana. S Manasa Harshini. K Divya. V	Wireless Control Of A Robot Using A Sensing Glove	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
63	Anandhi. K Joselin subi. J, Uma. S Merlin Livingston. L. M	Multimedia Security Spoofing of Digital Image Forensics -3D face mask	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
64	M.Lokeshwaran, M.Neethimuthu, S.Rahul, Dr.V.Kannan	EEG-Based Brain Controlled Mobile Robot	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
65	Rukmani R., A. Sheetal Mary UmayaI , V.Kannan	Proliferate QoS/QoE and Enhanced Security using Distributed Handoff technique in VANETS	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
66	L.M.Merlin Livingston, Dr.V.Kannan	Telemedicine System For Emergency Medical Services	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
67	L.M.Merlin Livingston, P.Deepika	Remote Authentication Mechanism Based On Segmentation	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
68	K.Lalitha Kumari	An Effective Bandwidth Efficient BECAN Scheme For Filtering The Injected False Data In Wireless Sensor	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
69	K.Lalitha Kumari	An Efficient Approach For Auto Configuration In Ad Hoc Network By Using Filter Based Addressing	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
70	K.Lalitha Kumari, Caroline Claude R	An Efficient Approach To Determine The Location Distinction And Virtual Multipath Attack In Wireless	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
71	Benisha.M, V.Amutha	Embedded Based ATM Theft Identification	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
72	Benisha.M, P.Deepika, R.Caroline Claude	FPGA Implementation Of BIST	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
73	M.Tamil Selvi.J.Mahesh	Motion Controlled Password System For Compact Embedded Systems Using Mems Sensor	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications,	National	3&4 March 2016		Jeppiaar Institute of Technology
74	Benisha.M, Merline G	GSM/CDMA Cellphone Jammer	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
75	W.Nancy	An Efficient Color Image Encryption And Lossless Compression System Using Split Arithmetic Encoder	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
76	W.Nancy	Automated Attendance Management Using Face Detection	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their Applications, (CIEEMA 2016)	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology

77	Dr.S.Arul	Cell Phone Operated Land Rover	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
78	Dr.S.Arul	Wireless Control Of Robotic Arm	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
79	Dr.S.Arul	Human Being Skin As Touch Screen	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
80	M.Tamil Selvi, G.Merline	Vehicle Control Using DTMF Technology	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
81	M.Tamil Selvi, L.M.Merlin Livngston	Micro Controller Based Industrial Control System	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
82	M.Tamil Selvi	Interference Redution Based On Stimulus Presentation Pattern	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
83	K.Arunkumar, W.Nancy	Automatic Ambulance Rescue System	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
84	Dr.S.Arul , Mahesh J	Cellular Coverage Area Determination With Autonomous Mapping Mode	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
85	Dr.V.Kannan, Mahesh J	Accident Messaging System Using Mems Based Accelerometer,GPS And GSM	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
86	Dr.S.Arul, K.Arun Kumar	Automotive Network Diagnostics With Crash Data Retrieval System Using J1939 And LIN	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
87	S.Selvin Pradeep Kumar	Embedded File Copier	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
88	S.Selvin Pradeep Kumar	Human Interacting Device (Hid) With Bluetooth For Disabled	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical Engineering and their	National Conference on Recent Trends in Computer Science, Information, Electronics, Electrical , Mechanical	National	3&4 March 2016		Jeppiaar Institute of Technology
89	Ms.S.Ancy	Survey On Fusion Of Image Using Discrete Wavelet Transform	National Conference on Recent Trends in Modern Electronics and its Application (NC-RTMEA 2015)	National Conference on Recent Trends in Modern Electronics and its Application (NC-RTMEA 2015)	National	Mar-16		Jeppiaar Institute of Technology
90	Ms.Sonia Jenifer Rayen	A Survey On Obstacle Detection And Avoidance To Aid Drivers	2nd National Conference on Computing Techniques'15, University College of Engineering, Villupuram	2nd National Conference on Computing Techniques'15, University College of Engineering, Villupuram	National	Mar-16		Jeppiaar Institute of Technology
91	Mravin S Jeeva D Ragesh Kumar A Kavithapriya C J	Monitoring In Railway Track Crack And Obstacles Using Smart Sensors	International Conference on Electrical, Electronics and Computer Engineering (ICEECE-15)	International Conference on Electrical, Electronics and Computer Engineering (ICEECE-15)	International	Mar-16		Jeppiaar Institute of Technology
92	Ms.S.Ancy	A Study On Web Navigation Improvization	International Conference on Research and Development in	International Conference on Research and Development in	International	Mar-16		Jeppiaar Institute of Technology
93	Ms.Sonia Jenifer Rayen	Survey On Detection Of Cancer Cells In Mammogram Using Region Based Mining	Innovative & Emerging Trends in Engineering and Technology	Innovative & Emerging Trends in Engineering and Technology	International	Mar-16		Jeppiaar Institute of Technology
94	Mr.Annamalai R	Smarthuis – A Home Automation Control Using Smartphone	National Conference on Recent Trends in Modern Electronics and its Application (NC-RTMEA 2015)	National Conference on Recent Trends in Modern Electronics and its Application (NC-RTMEA 2015)	National	Mar-16		Jeppiaar Institute of Technology
95	Mr.Annamalai R	Classification Of Secure Encrypted Data In Cloud	National Conference on Recent Trends in Modern Electronics and its Application (NC-RTMEA 2015)	National Conference on Recent Trends in Modern Electronics and its Application (NC-RTMEA 2015)	National	Mar-16		Jeppiaar Institute of Technology
