**SEMINAR ON POSTIVE THINKING**  
Date: 13<sup>TH</sup> FEB, 2026

The Department of Science and Humanities, Jeppiaar Institute of Technology, organized an Online Seminar on “Positive Thinking and Stress Management” on 13th February 2026 from 6.00 PM to 7.00 PM. The seminar was conducted exclusively for I and II year students to promote mental well-being and personal development. The session was organized in association with Eduseif. Ms. Nahida Abdulla served as the Resource Person and delivered an insightful talk on managing stress and cultivating a positive mindset. Dr. A. Jayanthi, Head of the Department (S&H), extended her support and guidance for the successful conduct of the program. The event was coordinated by Dr. S. Shenbaga Ezhil, along with faculty coordinators Ms. M. Thangeswari and Dr. B. Amudha. Student coordinators Arshad Safoor and Dharanidharan actively assisted in organizing the session. Overall, the program was highly informative and beneficial for the students.

**PUBLIC SPEAKING COMPETITION  
17, FEB 2026**

The Department of Science and Humanities and the Technical English Club of Jeppiaar Institute of Technology organized a Public Speaking Competition on 17th February 2026 at the First Year Block. The event aimed to enhance students' communication skills and boost their confidence in public speaking. The competition provided a platform for students to express their ideas effectively and develop stage presence. Participants delivered speeches on various thought-provoking topics with clarity and enthusiasm. The event witnessed active participation from first-year students. The program was coordinated by Dr. R. Thanya and Dr. T. Darvenkumar. The competition encouraged critical thinking, creativity, and effective articulation. Overall, the event reflected the institution's commitment to nurturing leadership qualities and communication excellence among students.

### DEPARTMENT CONFERENCE

The Department of Science and Humanities, Jeppiaar Institute of Technology, successfully organized the **International Conference on Advances in Science, Technology and Humanities (ICASTH-26)** on 27th and 28th February 2026 in Hybrid Mode. The conference aimed to provide a dynamic platform for researchers, academicians, industry experts, and students to share innovative ideas and research findings. The event focused on emerging trends and interdisciplinary advancements in science, technology, and humanities. Participants from various institutions presented research papers and engaged in insightful technical discussions. The conference encouraged knowledge exchange, collaboration, and academic networking. Eminent speakers and experts shared their expertise on contemporary developments and future research directions. The hybrid mode enabled both offline and online participation, ensuring wider outreach and inclusivity. The event was conducted with meticulous planning and enthusiastic participation. Overall, ICASTH-26 reflected the institution's commitment to promoting research excellence and academic innovation at the global level.
